**BURNDOWN CHART:**

## ROADMAP:

The screenshot shows the Jira Roadmap interface for the 'SIG board'. The browser address bar indicates the URL: `arsha18.atlassian.net/jira/software/c/projects/SIG/boards/2/roadmap`. The Jira Software navigation bar includes links for 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps', along with a 'Create' button and a search bar.

The left sidebar displays the 'Signboards' section with a 'PLANNING' menu containing 'SIG board', 'Roadmap', 'Backlog', 'Active sprints', and 'Reports'. Below this is a 'DEVELOPMENT' section with 'Code' and 'Releases'.

The main content area is titled 'Roadmap' and shows a timeline view. The timeline is divided into months: 'T', 'NOV', 'DEC', and 'JAN '23'. The 'Releases' section lists four items:

- SIG-1 log into my profile and start moni... (Red bar, spanning late October to early November)
- SIG-2 keep note of all the images receiv... (Blue bar, spanning early November to mid-November)
- SIG-3 keep note of all the vehicle's spee... (Purple bar, spanning mid-November to late November)
- SIG-4 boards near school should displa... (Cyan bar, spanning late November to early December)

A vertical orange line indicates the current date, which is November 11, 2022. The bottom of the screen shows a Windows taskbar with various application icons and a system tray displaying the date and time (18:24, 11-11-2022).

## ISSUE:

The screenshot displays the Jira Software interface for a project named 'Signboards'. The top navigation bar includes the Jira logo, 'Jira Software', and various navigation links like 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', and 'Apps'. A search bar is located on the right side of the top bar.

The left sidebar contains a 'Signboards' section with a 'Back to project' link and a 'Filters' section with options like 'All issues', 'My open issues', 'Reported by me', 'Open issues', 'Done issues', 'Viewed recently', 'Resolved recently', and 'Updated recently'. At the bottom of the sidebar, it states 'You're in a company-managed project' with a 'Learn more' link.

The main content area shows the 'Issues' section for the 'Signboards' project. It includes a search bar, a 'Project: Signboards' dropdown, and filters for 'Type', 'Status', 'Assignee', and 'More +'. A 'Save filter' button is also present. The issue list shows two issues: 'boards display "drive carefully" near construction site, narrow and uneven roads.' (SIG-8) and 'I receive the fastest route to the destination and navigation instructions like "Turn left", "Turn right" will be displayed.' (SIG-7). The issue SIG-8 is selected, and its details are shown in the main content area.

The issue details for SIG-8 include the title 'boards display "drive carefully" near construction site, narrow and uneven roads.', a description 'Sign boards near constriction site, uneven roads should display "slow down" or "drive carefully"', and an activity log showing a comment by Arsha Varshinee logged 1w 2 days ago. The right sidebar contains a 'Pinned fields' section with a 'Done' button and a 'Details' section with a dropdown menu for 'Assignee, Reporter, Labels, Epic ...'. At the bottom of the right sidebar, it shows the issue's creation and update history.

The bottom of the screenshot shows a Windows taskbar with various application icons and a system tray displaying the date and time as 18:34 on 11-11-2022.
